
Windows & Doors Limited Warranty

owner2owner™
LIMITED WARRANTY

About our products.

Every Andersen® window and door is manufactured to exacting specifications, while striving for the highest quality. This is important, because these specifications are what our limited warranty covers.

About our limited warranty.

Most other window and door warranties end when a home is sold. But our coverage – 20 years on glass, 10 on non-glass parts – is completely transferable from each owner to the next. Because it is not prorated, the coverage offers full benefits, year after year, owner after owner, so it can add real value when you decide to sell your home.

What this means to you.

If, due to conditions outlined within the following limited warranty, your Andersen® window or door does not meet its specifications during the warranty period, we will bring it up to our quality standards.

Your responsibility.

Even though Andersen® products are of superior quality, this limited warranty applies only if the Andersen® product has been properly installed, used and maintained.

Limited Warranty

Andersen® windows and doors are warranted in two ways.

Glass – Twenty (20) Year Transferable Limited Warranty

The glass in Andersen® factory glazed window and door units (*including dual-pane glass, High-Performance™ Low-E4™ glass, High-Performance™ Low-E4™ Sun glass, Low-E glass, Finelight™ grilles, divided light grilles and tempered versions of these glass options*) is warranted to be free from defects in manufacturing, materials and workmanship for twenty (20) years from the date of purchase from the retailer/dealer. It is also warranted not to develop, under normal conditions, any material obstruction of vision resulting from manufacturing defects or as a result of premature failure of the glass or organic seal for twenty (20) years from the date of purchase from the retailer/dealer. This limited warranty on glass does not apply to special glazings, Andersen® art glass panels, decorative insulated art glass for Andersen® architectural windows and doors, impact-resistant glass or glass that is not factory installed by Andersen.

In the event a glass failure occurs as a result of a defect in manufacturing, materials or workmanship within the limited warranty period, Andersen, at its option, will: (1) provide the appropriate replacement glass product to the Andersen retailer/dealer you specify – installation labor is not included; or (2) provide a factory-authorized repair to the existing glass at no cost to you; or (3) refund the purchase price or the retailer's/dealer's price at the time of the original purchase, whichever is less. Such replacement or repair is warranted for the remainder of the original limited warranty period.

Components Other Than Glass – Ten (10) Year Transferable Limited Warranty

Non-glass portions of Andersen® windows and doors (*including non-electric operators, locks, lifts, balance systems, hinges, handles, insect screens, weatherstripping, sash and frame members*) are warranted to be free from defects in manufacturing, materials and workmanship for a period of ten (10) years from the date of purchase from the retailer/dealer. This limited warranty does not apply to Andersen electric window operators, retractable insect screens or finishes on bright brass and satin nickel door hardware. The non-glass portions of the Andersen® architectural windows and doors with wood exteriors and commercial doors are subject to a limited warranty with a five (5) year period, but otherwise identical to the ten (10) year limited warranty described above.

In the event a component other than glass fails as a result of a defect in manufacturing, materials or workmanship within the limited warranty period, Andersen, at its option, will: (1) provide replacement parts to the Andersen retailer/dealer you specify – installation labor is not included; or (2) provide a factory-authorized repair to the existing component at no cost to you; or (3) refund the original purchase price or retailer's/dealer's price at the time of the original purchase, whichever is less. Such replacement parts or repairs are warranted for the remainder of the original limited warranty period.
